Message from founders' Desk:

Career contest Preparatory Centre, a pioneering educational institute of India was established in the year 2012 in the month of December 12th, affiliated by Sundaram, a trust, which is registered under West Bengal Govt. With the registration number: 190200616 with the moto to spread education, within the mass in an affordable financial parameter, after hectic research, which saves time energy and relocation problem of the students and experienced working professionals, in this cutting-edge professional time.

Message from CEO's Desk:

Education does not always mean academic degree or literacy. In simple words education means "Knowledge" comprising of theoretical knowledge along with practical knowledge. When we acquire knowledge of the real sense, we can say we are educated. Success can only be achieved by systematic use of the acquired knowledge. Career Contest Preparatory Centre has segregated the knowledge hub according to various economic classes to make people cherish the success of life by using and applying this technical knowledge with the blessings of the faculties and well-wishers. After hectic research, to ease a professionally developed working professional, and to enrich our nation's greatest and the most valuable resource, our nations Human Resource, through AI enabled Management education and through any other customized educational curriculum first time in India, and last but not the least, preparing and training the aspiring students for Govt. competitive examination. CCPC-

IMS is the way to Excellence.....

About the Institute:

Career Contest Preparatory Centre was developing in the minds of the millions, but it was getting crystallized in the domain of Sundaram. For the last four to five Years this was the brain child of Mr. Goutam Das & Mr. Basab Roy, that has been delivered in the form of a great educational endeavor, for the career excellence of the millions. Career Contest Preparatory Centre, under its various divisions to cater to the need of the students in their enrichment of knowledge & career development blended with world class job opportunity to make them morally sound, financially strong & socially happy.

Vision & Mission:

The mission of CCPC- International Management studies is to ensure international quality education in online learning mode to the mass, and to provide the students/ candidates to provide various professional training

courses to give the students practical knowledge & make them ready for different core industries. Provision of job opportunity in India as well as in abroad for skilled, semi-skilled & un-skilled professionals to their respective industries,

Goals:

- ✦ To provide Quality Education (Higher) to all the sections of our society as education is not restricted in college campus now, online distance learning courses have become more important for research & development.
- ✦ To offer career oriented Professional courses according to the market need
- ✦ To provide opportunity for the mass to get the qualifications what they desire.
- ✦ To provide & ensure our students to become successful professionals in the shortest. Possible time & see them to come out with flying colors of success.
- ✦ To provide opportunity to the drop out students to complete their education with practical Knowledge & Skills to succeed in their career.
- ✦ To provide placement from the very first day of joining any curriculum of CCPC-IMS, in India, from any part of India through remote working facilities.

Why CCPC?

Career Contest Preparatory Centre is affiliated to Sundaram duly registered under Govt. of West Bengal, under the S.R. Act of 1961, a venture on professional as well as online training modules which paves the path of excellence through its various courses & teaching methodology. These courses consist of Automatic Intelligence, concepts, case studies & practical knowledge, which provide a great exposure to the present industries. These courses are accepted in India & also in overseas. These innovative courses are designed by the professionals to eradicate the social vices of unemployment & illiteracy. After successful completion of the courses, our students will get the full support of our placement team for the purpose of placement assistance. The course fee packages are designed very nominal keeping all the financial classes of the mass in mind. CCPC is the only pioneer institute in the present global arena which provides all kinds of **AI Enabled online** educational solutions under one roof along with **Professional Management Certification Courses** and any other customized placement from the very first day of enrolling with CCPC-IMS.

CCPC Kolkata, with its esteemed history of 12 years behind it, strives to provide need-based professional training to a multitude of young and aspiring students. In simulated environment close to real life, the dedicated and professionally trained members of faculty ensure the transformation of each young learner into a technically sound, motivated and creative professional eager to serve the education industry. The mantra that is chanted by one and all in CCPC Kolkata is: **SERVICE BEFORE SELF.....**

With urbanization, industrialization, and digitalization, catering establishments, and increasing in large numbers. The development of adequate services for feeding the large and increasing number of workers engaged in industrial production, poses a special challenge of considerable importance.

These courses are designed for the aspiring students, those who are willing to join the curriculums of various online professional Management real life training program with jobs from the very first day of joining any academic curriculum of CCPC-IMS, according to the availability of the remote job according to the specialization taken up by the student.

We wish every student of CCPC a Professionally successful Career

CCPC- International Management School (CCPC-IMS)
